#### About the Speaker

Rev. Rebecca Kuiken, director of the Interfaith Council on Economics and Justice, leaves WPUSA in July to become a pastor in the Reformed Church of France. For three years, she has worked at the intersection of low-wage workers, communities of faith, labor unions, civic leaders and activists for economic and social justice. Rev. Kuiken will share reflections on how her faith supported this work and how her work impacted her faith.

Please come to hear the stories, see some photos, enjoy bread and brie – and say good-bye to Rev. Rebecca Kuiken.
