

People of Faith

Respond in Solidarity

ATTEND THIS CELEBRATION OF DIVERSITY

On September 10th, people of all faiths will gather to affirm their joyful cooperation and sharing with one another here in Santa Clara County and to express their peaceful opposition to recent physical attacks on their Muslim brothers and sisters, and to those who oppose the construction of Mosques or who propose to burn copies of their holy book, The Koran.

Congregations are invited to come, bring your choirs, your youth groups, your beautiful banners showing the solidarity of the interfaith community in Santa Clara County where we work peacefully with each other through sharing, understanding, and community service programs.
